16. Outstanding Business:

a. DISCUSSION ITEM: Staff Pulse

i. [Telecommuting](#)- will it continue

1. Once current telecommuting agreement ends, it will be up to the manager to determine coverage of the offices. It is not the same for everyone since everyone's operational needs are different. We don't want staff to worry that come the end of May they think telecommuting is no longer an option since it ultimately rests with the manager decision.
2. President Yao is committed to flexible work schedules where appropriate. We can't have a blanket policy where everyone gets a telecommuting day since it depends on the job, the person, and their situation.
3. Are the managers let in on that? Our managers were under the understanding it was gone and wasn't available anymore.
4. Mitzi Williams is managing that process so Angela will share that feedback to make sure managers are informed.
5. Annie Block-Weiss highlighted Dr. Yao's email yesterday regarding telecommuting.

17. New Business:

a. DISCUSSION ITEM: WASC [Time Certain 10:30 a.m.]

2. Questions or Feedback: Accreditation@csuci.edu
3. Removing administrative barriers, extraneous paperwork if we do not really need it to get the services they need. Announced at SRPC and is in 6 areas from Graduation Initiatives. Bring on a transcript scanner. Sue Andrzejewski EAB, helps with tracking. <https://www.csuci.edu/president/initiatives/>

b. INFORMATIONAL ITEM: CI Staff Council 2022-2025 Nominations are open!

- i. 24 staff nominees have been accepted. April 30th is the last day to submit nominations. Only Divisions which they are supporting will be voting for them. Elections will be held for Academic Affairs, Business & Financial Affairs, and Office of the President so far. We are hoping for more nominations from University Advancement and Student Affairs.
- ii. No one only gets one seat anymore, so we have an issue with only 1 person for a Division running for Staff Council. It would be great to have every seat go up for election.
- iii. Point of clarification- we have this process for a reason so it is fair. We have been told that some can't run because it has already been decided. This is one of the main reasons that we decided that there will be a minimum of two seats no matter size of the Division.

c. INFORMATIONAL ITEM: Corporate Games funding update

- i. We will be back in person and participation can help us get to know one another. CI is participating in all 25 events. We are holding a t-shirt design contest and a community service

project. 125 of CI staff/faculty/student workers will be able to participate and everyone gets a t-shirt.

- ii. The 2022 Corporate Games are scheduled to take place October 1-29, 2022.
 - iii. Registration is due September 2, 2022.
 - d. INFORMATIONAL ITEM: Krispy Kreme Fundraiser, pickup May 11th, Pre-order by May 6th
