

WELCOME TO CSU CHANNEL ISLANDS STUDENT HEALTH SERVICES

NOTICE OF PRIVACY PRACTICE S

Student Health Services (SHS) staffed by a team of medical professionals to assist you in addressing your physical concerns. In order to provide you with the highest quality of care, we utilize an integrated treatment approach. Our interdisciplinary team of clinicians work collaboratively to optimize your wellness through seamless support staffing needs. All contracted entities are required to uphold the same policies and procedures. In an emergency situation, SHS staff may refer you to another clinician or hospital shared with these health care providers.

Billing/Payment: SHS may use and disclose health information about you so that the treatment and payment may be collected from you or payor. For example, we may need to give your health plan information here so that your health plan will reimburse you for the services. In cases of unpaid financial obligations, SHS Financial Services to be processed. The bill will show the following health information: name, student ID number, and service. No information relating to medical diagnoses, treatment/procedure, counseling session, or other

3.
